

Insurance

POLICY

The Department of Education and Training and Frankston East Primary School do not have insurance for accidental injuries or accidental property damage. However, in some circumstances, medical or other expenses will be paid by the Department where it is assessed that it is likely, in all the circumstances, that the Department is liable for negligent acts or omissions of its staff or volunteers.

For more information about the Department's public liability claims process, please see: [Negligence Claims Process](#).

Frankston East Primary School encourages parents and carers to consider obtaining their own accident insurance for students and property of value that may be brought to school.

Communication

This policy will be communicated to our school community in the following ways:

- Available publicly on our school's website/newsletter
- Made available in hard copy from school administration upon request
