**Community Corner**

**Discover why mums are calling Our House Early Learning World the best childcare center in Frankston.**

“The reason I love Our House is because the staff is warm, relaxed, and they give my son individualised attention. I recently returned to work and I feel totally worry free leaving my 14 month old at Our House. And I especially love the natural outdoors. Our House is special.”

*Julia Dodd, Frankston*

You and your child will be listened to by the warm caring Our House team. Your child will be stimulated in the brand new state-of-the-art Our House facilities. Your child will feel like they are in a real forest in the Our House natural outdoors. Drop in and see for yourself because seeing is believing! Our House is filling up fast so Act NOW.

**RING 8774 0980**

Our House ELW takes children from 6 weeks to age 5. Opening hours are 6:30 AM to 6:30 PM. Book a tour or drop in for a chat with the Our House Team.

**28 Brooklyn Avenue, Frankston**

**What can parents and carers do to help their child’s asthma at school?**

- If your child is self-managing their asthma, or capable of taking their asthma medication independently, ensure that your child is always carrying their reliever medication (e.g. Ventolin, Asmol, Atrovent and Bricanyl) as well as a spacer while at school.
- Ensure that you have provided your child’s school/preschool with an updated Asthma Action Plan.
- Ensure that your child knows how to recognise early symptoms of an asthma attack and check to make sure they are using their reliever medication properly.
- Ensure your child will seek help from school/preschool staff if they experience asthma symptoms.
- Ensure that your child’s asthma is being well managed and that their medication and management is reviewed annually by your GP (this is a good opportunity to also update the Asthma Action Plan required by your child’s school/preschool).
