Dear Parents & Friends,

**Aussie of the Month**

Trinity is a fantastic example of what makes a great student and Australian. She is always organised and ready to learn. She listens respectfully and shows interest in what others have to say. Trinity is a kind friend, who cares for others and their feelings. She always tries her best at everything she does. She takes care of her belongings and always looks after other people’s property. She also cares about the school and the environment. Congratulations Trinity, you are a fantastic role model for other students.

**Student Accident Insurance/Ambulance Cover Arrangements and Private Property Brought to Schools**

This is a reminder that the Department does not provide personal accident insurance or ambulance cover for students. Parents and guardians of students, who do not have their own student accident insurance/ambulance cover, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance/transport and any other transport costs. Parents and guardians can purchase insurance policies from commercial insurers.

The Department does not hold insurance for personal property brought to schools by students, staff or parents and it has no capacity to pay for any loss or damage to such property.

**Choc Top Day**

As we celebrate end of summer on Friday we are having a special Choc Top day for all students at no cost. Make sure you are at school so you don’t miss out.

**School Council Elections**

Nominations for School Council have now officially closed. As the number of nominations was equal to the number of vacancies in both the Parent and DET categories there is no need for an election. The following people have been elected on to School Council:

- Glen Walker
- Daniel Redman
- Alicia White

We look forward to working with them over the next two years.

Until next time,

Brian McFall
Principal

---
