### Policy

#### Inclusion and diversity

Frankston East Primary School's core purpose is to provide its community with a friendly and dynamic learning environment that engages students to work to achieve their personal best in an atmosphere of mutual respect and cooperation. The school promotes itself as an 'Established school with modern ideas, based on traditional values'. Its programs are designed to prepare students to respond favourably to opportunities presented to them in a modern society. It is seen

within the community to be a friendly, family oriented school providing student and family support. The school maintains a high focus on structuring differentiated learning programs to cater for the individual learning needs of all students. Our Early Learning Centre provides us with creative and flexible learning spaces where students can be taught in flexible learning groups to cater for individual learning needs and where social interaction may be promoted.

Our school is located in Frankston in a cluster of 7 schools within the Karingal Estate. All key learning areas are provided for, with specialist programs in Art, LOTE (Japanese), Music, Physical Education and Science. The school is proud of its ICT development with Interactive Televisions in each learning space and access to mobile devices in all learning spaces on an as needs basis. Our Music Program is an area of pride for Frankston East. Two school bands and our choir perform regularly throughout the year and at the Frankston East Annual Student Theatre (FEAST) at the George Jenkins Theatre in Term 3. Student wellbeing underpins all of our school programs. An Engagement/Connectedness teacher implements a program with all children from P-6 covering social skills and attitudes through exposure to game situations. We also provided workshops for our Year 5/6 students with a focus on building self-esteem.

Frankston East Primary School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Frankston East Primary School acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Frankston East Primary School we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Frankston East Primary School will:

- actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, concerts, on the same basis as their peers)
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Frankston East Primary School. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

## Reasonable adjustments for students with disabilities

Frankston East Primary School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities, and communicating with us in relation to a student's disability, please refer to our school's *Student Wellbeing and Engagement* policy or contact Student Wellbeing Manager, Barb Heeney on 9789 9552 for further information.
