Dear Families,

As we move past Halloween and further into Term 4 (and hopefully some warmer weather!), I want to take a moment to reflect on what makes Frankston East Primary School such a special place for our students to learn and grow.

We all know that school life can be busy and full of activity, and yet, what we continue to hear from visitors and new families is how calm our learning environment feels. Each day, our classrooms are purposeful, positive and focused. Students know what to expect, and that sense of calm helps them feel safe, confident and ready to learn.

In a world that often moves too fast, our approach stands out. We are a small school with a big heart, where relationships come first. Every child is known, valued, and supported by name and by need. This allows us to truly focus on the individual learner academically, socially and emotionally.

We know that education today brings both opportunity and pressure, for students and families alike. Our job is to help children navigate that balance, developing not just knowledge and skills, but also character and resilience. That's why we place such strong emphasis on our school values of kindness, respect and integrity. These are more than words on the wall; they guide how we learn, play and treat one another every day.

Ultimately, everything we do here at Frankston East Primary School is about ensuring the best possible learning outcomes for each student. Calm, consistent classrooms. Strong relationships. Clear expectations. And a shared belief that every child can achieve their best.

Thank you for your continued partnership and support as we work together to provide a learning environment where every student feels safe, valued and capable of success.

Dad joke of the week: How do you make a skeleton laugh? You tickle his funny bone!

Kind Regards,

Warren Bull
Principal

CLASS NEWS

REMINDERS:

- Don't forget your hat! No hat means you have to sit in the shade at recess and lunchtime! That's no fun! Also parents, please remember to apply sunscreen on sunny days, it's so important to protect against the UV!
- To prevent the spread of head lice please ensure your child's hair is tied back at school.
- If your child is running late please ensure they get dropped at the office first to sign in. We kindly ask parents to say goodbye at the office or outside the classroom and not enter the classrooms after 9am. This ensures no disruptions to learning.
- To avoid parking fines on Mena Street please park either on the opposite side or on Frawley Street! The school side of Mena Street is kiss and go only, you must stay with your car!
- If your child will be attending another school next year, we'd appreciate it if you could let our office know. This helps us with planning for classes and staffing for next year.

Help Sea Shepherd **SAVE OUR MARINE ANIMALS!**

The ET Reps are raising money for Sea Shepherd to help their fight help marine animals.

At recess and lunch on **Thursday the 6th of November** the ET Reps will be selling fruit, juice and icy poles with all proceeds being donated to Sea Shepherd's mission.

RECESS: cups of fruit, cups of juice 50c each
LUNCH: Icy poles \$1 each

Bring some coins tomorrow, Thursday the 6th of November to help the ET Reps raise money for Sea Shepherd, to aid in their mission to halt the trawling of krill in the Antarctic. Trawlers are operating 24/7 despite dozens of whales around them trying to feed off the krill. For some species of whales this is their only food source. Penguins and seabirds also feed off krill as part of their diet.
(This is not a dress up day)
