Welcome back to Term 4. I hope every family enjoyed a restful break and some time together. It has been lovely to see students arrive this week ready to learn and happy to be back with their friends.

Year 5/6 Camp at Camp Oasis

Our Year 5/6 camp at Camp Oasis was a great success. Students threw themselves into every activity, supported each other through new challenges and showed real kindness and maturity throughout. Many students tried things they had never done before, and the pride on their faces when they succeeded was something special to see. Camp is about much more than activities. It builds confidence, independence and friendships that carry back into the classroom, and we saw all of that over the few days away.

A big thank you to the staff who attended camp. Giving up time with their own families to care for our students around the clock is a generous commitment, and it is what makes experiences like this possible. Thank you also to our families for your support in getting students ready and organised.

Term 4

Term 4 is always a busy and rewarding term. It is a time to consolidate learning, celebrate how far students have

come this year and begin planning for 2027. Our Year 6 students will start preparing for their move to secondary school, and we will soon share details about transition, end of year events and graduation.

A reminder that as we move into the warmer months, students need to wear their school hat outside, and sunscreen is encouraged.

As always, my door is open. If you have any questions or would like to talk about your child's learning, please get in touch.

Here's to a great final term together.
