2026 School Council – Information for potential Council Members

From 2026, parents, carers and community members who would like to join the school council need a **working with children (WWC) clearance** to nominate. If you are considering nominating for school council, and don't already have a WWCC, I encourage you to apply for a volunteer WWC check as soon as possible. This will allow for processing times, which are estimated to be from 3 to 12 weeks.

Please note that if you do not hold a WWC clearance, you will not be able to nominate for school council, so it is vital that you prepare in advance. Obtaining a WWC clearance is free for volunteers, and you can apply online at **Service Victoria**.

When applying for your volunteer WWC check, please nominate the Department of Education as the organisation you are working for.

If you already hold an employee WWC clearance, you do not need to obtain a volunteer WWC clearance to nominate for school council.

Victorian Institute of Teaching-registered teachers and school students who are interested in joining school council **are not required** to obtain a WWC clearance.

Current parents and community members of school council do not need to apply for a WWC check immediately. Current members only need a WWC clearance if their term ends and they wish to nominate or be co-opted again.

For more information, refer to Ministerial Order 1280 (Constitution of Government School Councils) 2020.

3/4s Farm Excursion!

Our 3/4 students had a fantastic day at Rain, Hayne and Shine Farm as part of their Integrated Studies topic, Food and Fibre Production. Students enjoyed meeting a variety of farm animals, including goats, chickens, geese, emus, cows and cuddly guinea pigs. They also learnt how butter and flour are made from scratch, even having the chance to churn butter themselves and grind wheat into flour. It was a fun, hands-on experience that helped bring their learning to life.

I really enjoyed the fact that we got to hold baby goats, hold guinea pigs and feed the animals. - **Mia, grade 3**

I made butter with cream wheat to make into flour it was so much fun - **Ashton, grade 4**

I enjoyed the dinosaurs (relax were just talking about the emus) - **Joseph, grade 4**

This trip was a exciting excursion for the 3/4s, this journey was fun, it created some memories for the 3/4s. - **Alan, grade 4**

We had such a fun time and I really liked the baby animals they where so cute, and while we where there we made butter and grinded wheat I loved it so much. - **Serena, grade 4**

The experience was unforgettable - **Levi, grade 4**

We got to ride in the back of a tractor in hay, it was super fun and we saw lots of animals along the ride! - **Melody, grade 3**

My favourite bit was when we held the animals we had a very good time. - **Violet, grade 3**
