What a wonderful week to be a part of the Frankston East Primary School community!

This week, our students have been participating in NAPLAN, and I could not be prouder of the effort, focus, and resilience they have shown. Regardless of the results, the attitude our students have brought to each session is a genuine credit to them, and a reflection of the fantastic support they receive from their families at home. Well done to each and every one of them.

Yesterday, our staff came together for a Curriculum Day with a clear focus: ensuring that our approach to teaching positive behaviour is consistent, purposeful, and felt by every student across every classroom. It was an energising and productive day, and I want to acknowledge the professionalism and enthusiasm our staff brought to that work. Families should feel confident that when it comes to expectations and how we support students to meet them, we are speaking with one voice across the school.

More broadly, it has been a joy to walk through our classrooms and outdoor spaces this term and see the quality of learning taking place every single day. The engagement, curiosity, and growth I am witnessing in our students is genuinely exciting - and this is just the beginning. There is so much more to look forward to as the year unfolds.

Dad joke of the week: How do you light up a football stadium? With a football match...

Kind Regards,

Warren Bull

Harmony Week Celebration

Dear Frankston East Families,

On **Monday 17th to Friday 20th March** our school will be celebrating Harmony Week, a time to recognise and celebrate Australia's wonderful cultural diversity from the traditional owners of this land to those who have come from many countries around the world to call Australia home.

During this week, we will participate in activities that celebrate inclusion, respect and belonging for everyone in our community.

On Friday 20th March, students are invited to wear something orange or an item that represents their own culture to school. Families are warmly invited to **join us for a picnic celebration on the school oval from 2:00pm onwards**. Bring along a picnic and enjoy spending time together as we celebrate the many cultures that make our school community so special.

Please note there will be **no assembly** on this afternoon due to the Harmony Week picnic celebration.

We look forward to celebrating with you
