Dear Frankston East Primary School Families,

As we move through Term 2, I'd like to take a moment to reflect on the wonderful things happening in our school community. At Frankston East Primary School, our values of kindness, respect, and integrity are not just words on the wall—they are visible in the actions of our students each and every day. Whether it's in the way they support one another in the classroom, include others in the yard, or greet visitors with warmth and good manners, our students consistently show what it means to live these values. They truly are a credit to themselves, their families, and our school.

We have recently completed the first stage of our School Review, and I'm pleased to share that our calm and orderly learning environment, along with the positive and respectful behaviour of our students, was acknowledged as a real strength. Visitors have commented on how settled and focused our classrooms are and how delightful and engaged our students are. These affirmations reflect the strong partnership between home and school and the efforts of our dedicated staff. Of course, as with any effective review process, we have identified some key areas of focus to continue improving. Moving forward, we will be working on strengthening our inclusive practices across the school, embedding direct and explicit instruction, and ensuring high expectations for student learning—particularly in literacy and numeracy. We are excited about this direction and confident it will support even greater outcomes for every student.

Thank you to the many families who continue to show strong support for our school, especially those who attend our Friday afternoon assemblies at 3:00pm. Your presence helps foster a real sense of community and pride for our students.

A reminder that our Parent/Teacher Conferences will be held on Wednesday, 2nd July. This is a valuable opportunity to discuss your child's progress and goals, and we encourage all families to book a time with their child's teacher. The bookings for these will open at 9am next Monday on the Parent Portal, if you have any questions about the portal please let me know.

Thank you all for being such an important part of the Frankston East community. We look forward to continuing this journey together.

Warm regards,

Warren Bull

3/4C & 3/4M CLASS NEWS

On 26TH May, grade 3/4 students had the incredible opportunity to visit the Cranbourne Botanical Gardens, where we explored the rich heritage and knowledge of Australia's First Nations people. The day was filled with engaging talks and hands-on activities led by Indigenous guides, who shared their deep connection to Country, traditional practices, and cultural stories. Students learned about bush foods, plant uses, and sustainable ways of living that have been passed down for generations. Through interactive sessions and storytelling, we gained a deeper understanding of Indigenous culture and the importance of respecting and preserving it.

It was a memorable and meaningful experience that inspired reflection, appreciation, and curiosity about Australia's oldest living culture.
