Principals Message

As we move toward the end of another successful year, I wanted to take a moment to share some important news and celebrate our achievements together.

Farewell to one of our long-serving teachers

It is with mixed emotions that I announce Mrs. Jill Stanzsus will be retiring at the end of this year. Jill has been an integral part of our school community for many years. Her passion for PE, Science, and environmental education has inspired our students to explore, discover and develop a love of learning. Beyond the classroom, Jill's commitment to student wellbeing has meant she has endeavoured to make our students feel valued, supported, and empowered to reach their full potential. We will be celebrating Jill's career and contributions to FEPS later this term, and I encourage our entire community to join us in honouring her dedication and service.

Celebrating Our Success

I am incredibly proud of the outstanding results our students are achieving. Our whole-school focus on explicit direct instruction and the implementation of the Victorian Teaching and

Learning Model 2.0 continues to yield exceptional growth in both literacy and numeracy across all year levels.

These results are a testament to the hard work of our students, the dedication of our staff, and the strong partnership we share with our families. Together, we are creating a learning environment where every student can thrive.

Dad joke: As we head into the warmer months, here's a question for you: Why do bananas need sunscreen in summer? Because they might peel!

Kind Regards,

Warren Bull

Principal's Award Recognition

Dear Frankston East Primary School Community,

I am humbled to share that I have been honored with The Smith Family-NEiTA Award for Powering Potential at the 31st National Excellence in Teaching Awards, along with a professional development grant which I have allocated to the school.

This award, created in partnership between the NEiTA Foundation and The Smith Family, recognizes educators working to help children facing disadvantage achieve their potential. It was a wonderful surprise to learn I had been nominated—I had no idea!

However, this recognition truly belongs to our entire school community. Our team is deeply passionate about giving every student the tools to succeed, creating safe classrooms where children are seen, understood, and supported to achieve their best possible outcomes.

Every day, we work together to provide opportunities that help remove barriers for our

Important Upcoming Dates

Fri 21/11	Prep 2026 Transition Session 3 & Parent info session
Fri 28/11	P-2 CARP performance - Christmas Show Prep 2026 Transition session 4

Fri 19/12	Student Free Day!

students and families. Whether it's arranging uniforms, learning adjustments, meals, or connecting with external support services, we're committed to ensuring every child has the chance to thrive.

The National Excellence in Teaching Awards is Australia and New Zealand's longest-running, community-based program recognizing teaching excellence. Over three decades, NEiTA has honoured more than 1,110 exceptional educators and awarded \$1.5 million in professional development grants. Thank you to our dedicated staff, supportive families, and wonderful students who make Frankston East Primary School such a special place. Together, we truly are making a difference.

Warm regards,
Warren Bull
Principal

**Well done
Mr Bull!**

CLASS NEWS

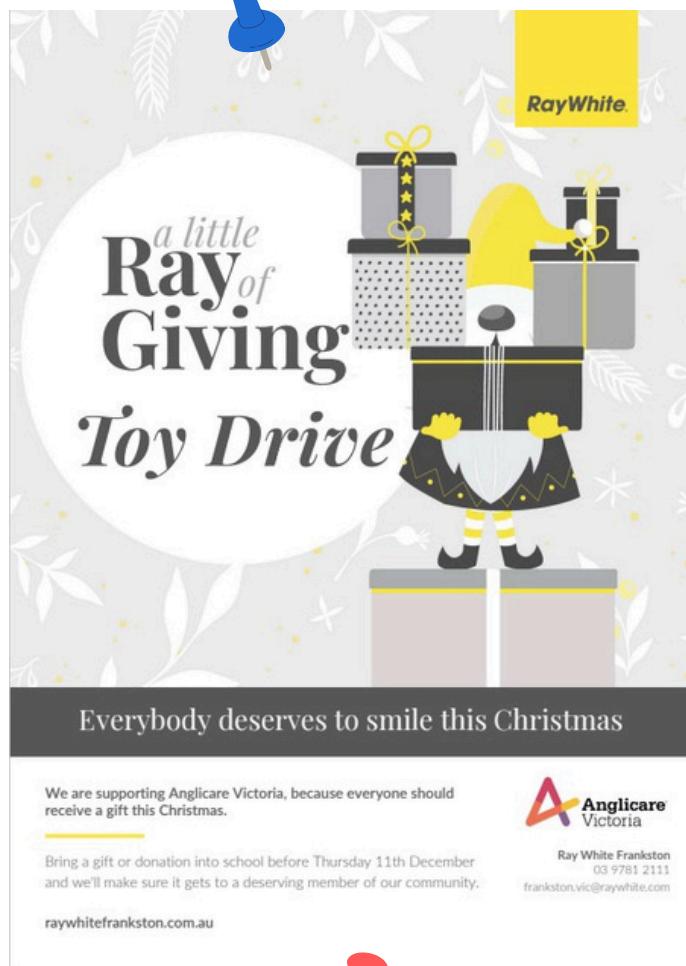

What have the 3/4s been getting up to in class this week?

Our 3/4 students have been busy exploring **3D shapes** in a hands on and engaging way! This week, they used marshmallows to represent **vertices** and toothpicks for **edges**, constructing their own geometric models. It was a fantastic opportunity for students to apply their knowledge, work creatively and better understand how 3D shapes are formed.

Using marshmallows and toothpicks helped turn abstract ideas into something students could see and touch, making the learning more concrete. By physically building each shape, students were able to clearly visualise how edges and vertices connect, which deepened their understanding. Well done 3/4s!

COMMUNITY

Our Purpose:

To provide the Frankston East Community with a friendly and dynamic learning environment that engages students who work to achieve their personal best in an atmosphere of mutual respect and cooperation.

Frankston East Primary School promotes itself as 'An established school with 21st century teaching and learning practices, based on values of integrity, respect and kindness'

Our commitment to child safety

Frankston East Primary School is committed to child safety. We want children to be safe, happy and empowered. We support and respect all children, as well as our staff and volunteers. We are committed to the safety, participation and empowerment of all children.

We have zero tolerance of child abuse, and all allegations and safety concerns will be treated very seriously and consistently with our robust policies and procedures. We have legal and moral obligations to contact authorities when we are worried about a child's safety, which we follow rigorously.

Our school is committed to preventing child abuse and identifying risks early, and removing and reducing these risks. Our school has robust human resources and recruitment practices for all staff and volunteers. Our school is committed to regularly training and educating our staff and volunteers on child abuse risks.

We are committed to the cultural safety of Aboriginal children, the cultural safety of children from a culturally and/or linguistically diverse backgrounds, and to providing a safe environment for children with a disability.

We have specific policies, procedures and training in place that support our leadership team, staff and volunteers to achieve these commitments. If you believe a child is at immediate risk of abuse phone 000.
