1/2B & 1/2J CLASS NEWS

On Friday, students from 12B and 12J took part in an exciting and interactive Reptile Encounter. They were introduced to an incredible variety of Australian creatures, including stick insects, snakes, a turtle, a saltwater crocodile, and a lizard.

The students had the unique opportunity to observe—and even touch—these amazing animals up close. Throughout the session, they discovered fascinating facts about how each creature survives in the wild, their special adaptations, and the important roles they play in our ecosystems.

It was a fun, hands-on experience that brought classroom science lessons to life in the most memorable way!
