Dear Frankston East Primary School Families,

Welcome back! I hope you all had a lovely break and are ready for the year ahead. It's great to see our students back at school with big smiles and lots of energy.

I'm really excited about 2026. There are so many wonderful things planned for our students this year. We'll keep working hard together and celebrating all the great things our children achieve.

Our school values are **kindness, respect, and integrity**. These values are important in everything we do. They help us treat each other well and make good choices. When we all live by these values, our school is a happy and safe place where every child can learn and grow.

Reading at Home

Reading is one of the most important things your child can do at home. We look forward to working with you to help encourage our students to read as much as possible. Even just 10-15 minutes each day makes a huge difference! Whether it's a book, a magazine, or reading together before bed, every bit of reading helps your child grow as a learner.

Senior Playground Reminder

A quick reminder about our playgrounds: the senior playground on the oval is only for Years 3-6 students. Prep, Year 1 and Year 2 students cannot use this playground at any time. This keeps all our students safe during play. Thank you for talking to your children about this rule.

Dad joke of the week:

Why did the teacher wear sunglasses to school?

Because her students were so bright!

Here's to a wonderful 2026!

Kind Regards,

Warren Bull
